HP 255 Notebook PC

HP recommends Windows.

1. Wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.
2. HD content required to view HD images.
3. Sold separately or as an optional feature.
4. HDMI cable sold separately.
5. Not all features are available in all editions of Windows 8. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8 functionality. See http://www.microsoft.com for details.
6. This system requires a separately purchased 64-bit operating system and 64-bit software products to take advantage of the 64-bit processing capabilities of AMD technology. Multi-core processing with AMD technology is designed to improve performance of this system. Given the wide range of SW applications available, performance will vary. AMD's numbering is not a measurement of clock speed.
7. Maximum memory speed supported by the system may be 1333 MHz or 1066 MHz.
8. Maximized dual-channel performance requires SODIMMs of the same size and speed in both memory slots.
9. Maximum memory capacities assume Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
10. For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 36 GB (for Windows 8) of system disk is reserved for the system recovery software.
11. Double-layer discs can store more data than single layer discs. However, double-layer discs burned with this drive may not be compatible with many existing single-layer DVD drives and players. Note that DVD-RAM cannot read or write to 2.6GB single-sided/5.2 GB double-sided – version 1.0 media. Don't copy copy-right protected materials.
12. Bluetooth™ 2.1 is available with Linux operating system.
13. Bluetooth™ 4.0 is available with Windows 8 operating system only.
14. Service levels and response times for HP Care Packs may vary depending on your geographic location. Restrictions and limitations apply. Service starts at date of hardware purchase. For details, visit www.hp.com/go/cpc
15. Internet access required. This product includes Norton software. First 60 days included. Subscription required for live updates afterward.
16. HP Fast Charge recharges your primary battery up to 90% within 90 minutes when the system is off. Fast Charge does not apply to the 9-cell battery.
17. Windows required.
